

Trends and Forecasts 2013 - 2023

What to Expect as America Transforms!

Sunday, Sept. 22, 2013

1 pm - 3 pm

A new era for America has begun. How can you best position yourself to work with all the new changes?

This workshop will include:

- ◆ What you need to know to navigate the economic and social changes for the next 12 years.
- ◆ What lifestyle changes are permanent, which are temporary?
- ◆ Are we in recovery or in breakdown --or both?
- ◆ How this cycle fits with ancient cycles.
- ◆ The role of technology and its role in our lives--what outrageous trends are coming your way.
- ◆ Is America's role in the world rising or descending?
- ◆ What is the purpose of this period and how was it predicted thousands of years ago.
- ◆ What is the really big purpose of social media? It has nothing to do with friends, fans or media.

Don't miss this exciting workshop, filled with practical, thought-provoking, and stimulating information to help you gain a new perspective on what is really going on in the world.

Gail Minogue, author of *Divine Design - How You Created the Life You are Living* and the DVD "New World Renaissance," is a Los Angeles professional in the symbolic relationship of numbers to our life experience. Her specialty is integrating "real world" experience with holistic inner teachings. She is a licensed commodities broker and has followed the ancient science of numbers and patterns for 25 years.
